The screenshot shows the IBM Cognos Analytics home page. The left sidebar contains navigation options: Home, New, Upload data, Content, Recent, and Manage. The 'New' menu is open, showing options for Data (Data module), Explore (Exploration), and Present (Dashboard, Report, Story). The main area displays a large graphic with speech bubbles and buttons for 'Get started', 'Watch videos', and 'Product tour'. Below this, there is a section titled 'Create content from existing data' with instructions to locate data sources in the Content view.
